

Study Opportunities CAT Exam Papers 2022

- The papers are available to schools/teachers only.
- Exam papers purchased by one school may not be distributed to, or shared with, any other school or person/s. In other words, each school must purchase its own set of exam papers.
- Study Opportunities owns the copyright to the exam papers, whether the exam papers are in their original form, or whether they have been adapted. Under no circumstances may any part of the exam papers be sold or otherwise used for commercial purposes.

At this stage (16 March 2022) it is not yet clear exactly what tests/exams schools will be writing for their mid-year assessments. We will provide examination papers as indicated on the Entry Form. As always, teachers are welcome to customize these if they wish.

November exams

- The November exam dates may appear a bit early. The reason for this is that many provinces will expect schools to submit marks in late November already – even though schools only close on 14 Dec 2022.
- We just appeal to everyone to take the papers in after each exam session – not only for the November exams – so that their integrity may not be compromised.

When to write our papers

If you plan to use the Study Opportunities papers for your exams this year, please request your school to schedule the relevant exams either **on** the dates indicated (on the entry form) or **after** those dates – not before.

How to order the papers

1. Download and complete the entry form.
2. Pay for the papers:
Bank details: FNB, Study Opportunities (Pty) Ltd, AccNo: 62583115863, Branch: 251045.
Enter your school's name and the word Papers as reference.
3. Email/Fax the entry form **together with** the proof of payment to:
study.opp@mweb.co.za / 086 293 2702.

If the bursar or anyone else is responsible for this, please make it clear that the entry form and proof of payment must be sent together.

(Each year we receive many Proof of Payments without an accompanying entry form. In such a case we cannot register you.)

You will receive a confirmation email of our receipt of the above **two documents together**.

If you do not receive a confirmation email, it means that you are NOT registered and will NOT receive the passwords. Enquire via email (study.opp@mweb.co.za).

How the papers will be distributed

- The question papers and memoranda will be loaded onto the Study Opportunities website (www.studyopportunities.co.za) **3–4 days before the date of the exam**. You will need to download these papers and memoranda yourself, as they will not be sent via email.
- As soon as the papers and memoranda are uploaded to the website, **passwords will be sent via SMS**.

How to prepare the papers prior to a practical examination

Once you have received the password to extract the files, we suggest that you do the following:

- Customise the question paper by replacing the reference to Study Opportunities on the title page with your own school's name and logo.
- Read through the paper and make any minor adjustments that you think necessary. We suggest that you keep these changes to a minimum, as they might affect the balance of the paper in terms of the weightings of the degrees of difficulty, as well as the mark allocations.
- Check that ALL the data files open correctly on your school's computers. Do NOT leave this to the last minute!

Contact our office for any queries by sending an email to study.opp@mweb.co.za

Previous exam papers (if you did not purchase these) are available to teachers at reduced prices (and are handy to use for revision). Contact study.opp@mweb.co.za.
